

Injection Molding Machine

FAVORITES

CST410PET Injection Molding Machine

CST410PET injection molding machine
Improve plasticize performance

FAVORITES

CST330PET Injection Molding Machine

CST330PET injection molding machine
Centralized lubrication system with

FAVORITES

CST298PET Injection Molding Machine

CST298PET injection molding machine
Quantitative distribution and centered

FAVORITES

CST218PET Injection Molding Machine

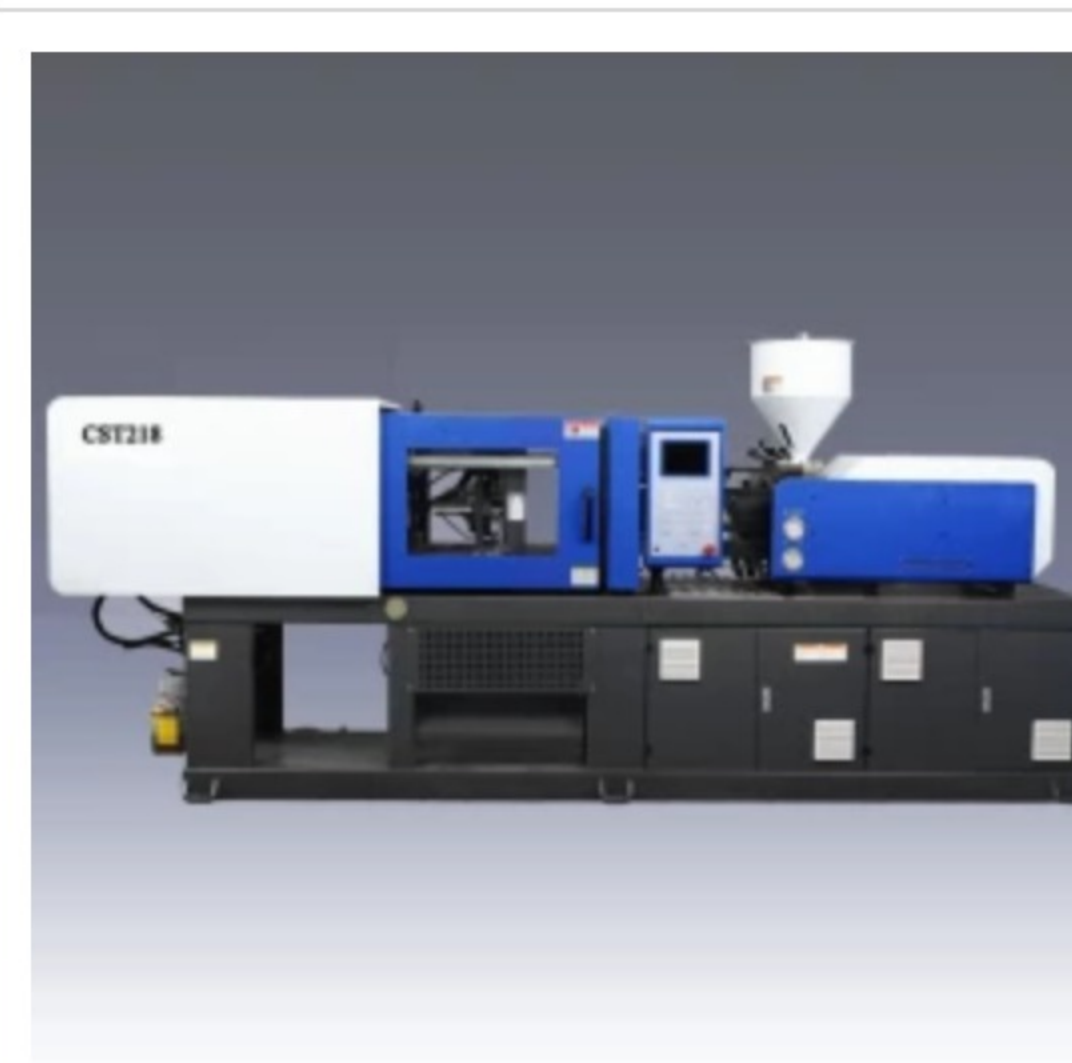

CST218PET injection molding machine
Provide more professional lubrication

FAVORITES

CST730-II/5500 Injection Molding Machine

CST730-II/5500 injection molding machine
any color client require

FAVORITES

CST218/730 Injection Molding Machine

CST218/730 injection molding machine
New frame type structure, simple and

FAVORITES

CST610-I/3500 Injection Molding Machine

CST610-I/3500 injection molding machine
With more reasonable stress

FAVORITES

CST188/630 Injection Molding Machine

CST188/630 injection molding machine
Any color can be customized

FAVORITES

CST1500/14100 Injection Molding Machine

CST1500/14100 injection molding machine
Lead time: 30-45 working days

FAVORITES

CST410-II/2800 Injection Molding Machine

CST410-II/2800 injection molding machine
High-grade injection Molding

FAVORITES

CST410-I/2000 Injection Molding Machine

CST410-I/2000 injection molding machine
Enhanced clamping

FAVORITES

CST630-II/5100 Injection Molding Machine

CST630-II/5100: Excellent clamping features
with optimized linkage

FAVORITES

CST1100/9500 Injection Molding Machine

CST1100/9500 injection molding machine
Professional plasticizing unit is

FAVORITES

CST730-I/5100 Injection Molding Machine

CST730-I/5100 injection molding machine
Improve plasticize

FAVORITES

CST830/6700 Injection Molding Machine

CST830/6700 injection molding machine
Lead time: 30-45day

FAVORITES

CST1300/12000 Injection Molding Machine

Excellent injection performance with
twin-cylinder injection mode.

FAVORITES

CST128/420 Injection Molding Machine

CST128/420 injection molding machine
Have more reliable and stable

FAVORITES

CST530-I/3100 Injection Molding Machine

Professional platen optimization, the
platen after finite element analysis and

FAVORITES

CST65/160 Injection Molding Machine

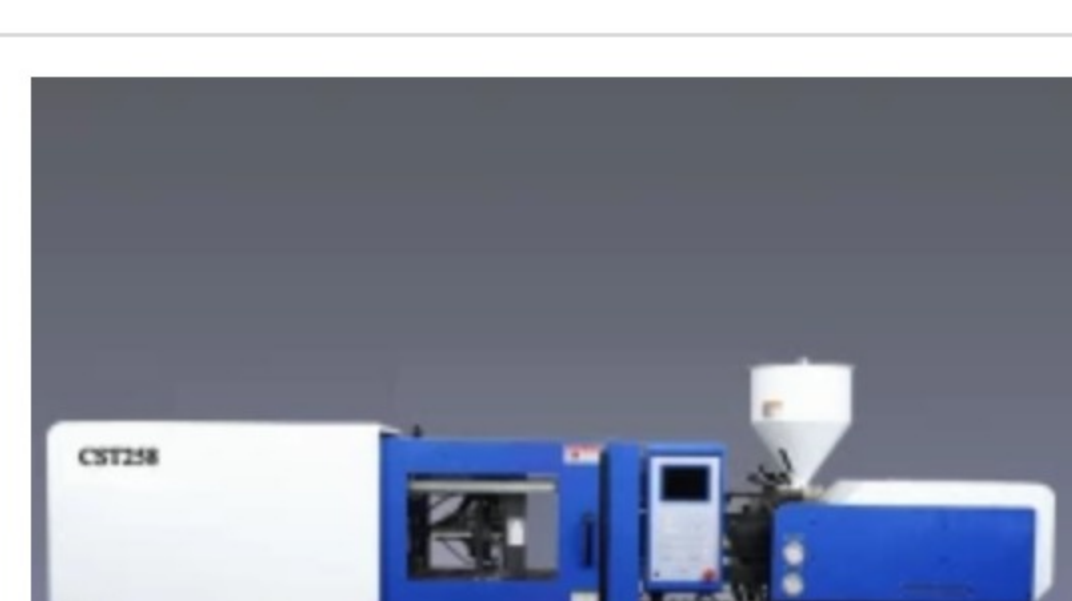

CST65/160 injection molding machine
Centralized lubrication system with

FAVORITES

CST470-I/2800 Injection Molding Machine

CST470-I/2800 injection molding machine
Quantitative distribution and

FAVORITES

CST258/920 Injection Molding Machine

CST258/920 injection molding machine
Provide more professional lubrication

FAVORITES

CST158/560 Injection Molding Machine

CST158/560 injection molding machine
New frame type structure, simple and

FAVORITES

Costar 98 Ton Horizontal Injection Molding Machine

Costar 98 ton horizontal injection molding machine
With more reasonable

FAVORITES

CST530-II/3800 Injection Molding Machine

Wooded pallet package, standard ocean shipping
package of injection

FAVORITES

CST330-I/1580 Injection Molding Machine

CST330-I/1580: Excellent clamping features
with optimized linkage

FAVORITES

Costar 2500 Injection Molding Machine

Costar good quality 2500 injection molding machine.

FAVORITES

CST470-11/3100 Injection Molding Machine

CST470-11/3100: Excellent clamping features
with optimized linkage

FAVORITES

CST2000/16100 Plastic Injection Molding Machine

CST2000/16100 injection molding machine
Professional plasticizing unit is

FAVORITES

CST 1.9 Ton Small Injection Molding Machine

CST 1.9 ton small Injection Molding Machine
Can improve plasticize
